KEYNOTE SPEAKER

10:30 AM Mary Lou Walker, author *Speak Easy*.

Whether you are already a sparkling asset to a party or painfully shy, observing Mary Lou's rules will take you to a new level in conversation—and in life. As you learn how to “speak easy” on matters high, low, and in between, you will break away from stale, mundane and repetitive talk and develop a new and enduring source of self-enjoyment.

Mary Lou is a champion of the “colloquy,” something akin to a book club, but without the book. *Speak Easy* lays the groundwork for starting a colloquy in your own living room, classroom or public library. In these conversation groups—or wherever life may take you—no topics need to be off-limits. As long as you follow the rules, your conversations can be rich, rewarding, and just plain fun.
